

## THE SARANN, KOH SAMUI

The Sarann, Koh Samui is a sublime blend of luxury and nature. Opened in July 2008, this small intimate resort imparts unique invigorating experiences that linger. The property is located on the tip of the beautiful and serene Chaweng Noi Beach, just 20 minutes from Samui International Airport. The short drive from the airport is a dazzling introduction to the eclectic spirit of Koh Samui, winding through small villages and passing through a lively emergent quarter, before arriving at the resort's scenic surroundings of a lush tropical forest backdrop. The name "The Sarann" refers to state of mind where one's spirit is at peace and all worries drift away. This concept is at the heart of everything we do, and we hope that our guests will come to know and experience the true meaning of the world after staying with us.
